Does your high school student...

*...sing or play an instrument? ...perform in NHS shows, musicals or singing groups?
...do tech for NHS shows or musicals?*

If so, your student is benefitting from NHS Friends of Music!

Keeping the performing arts alive during COVID 19 has been a challenge from Broadway to LA. We have incredibly talented and passionate students that are looking for ways to keep performing. That is where the NHS Friends of Music (FOM), the booster organization for the High School performing arts program, has stepped up to help all of the students. This fall we are working closely with students and faculty to financially support the virtual productions of SAMD and Winterfest. We will work throughout the year to help the students perform virtually.

Please consider a donation to support and enrich in-class and extracurricular music and theatre. The donations are managed by a parent-driven Board of Directors. FOM will help fund a variety of services and benefits this year including:

- Annual college scholarships and awards for seniors (\$10,000 awarded in 2020)
- Professional sound and video engineers to create virtual concerts and shows at NHS
- Providing collaboration accounts to support singing groups to work remotely
- Instrument repair and replacement, uniforms and tuxedos
- Distribution of recorded performances to local independent and assisted living communities
- Publicity for performances including program design and printing

"Friends of Music has been so generous with all of their resources and is continuing to show so much support for all of the groups within the performing arts program at NHS. We are lucky to be able to continue making music thanks to them." Lauren B. Class of 2021

All Donations Benefit Students

FOM depends on the generosity of donors like you, who make it possible for us to continue to enrich your student's performing arts experience. While there are no participation fees, in order to sustain our current level of assistance, we are asking each family to consider a donation of \$50 for the year. 100% of your donation is tax deductible.
